were true, that he was living in polyg-amous cohabitation would have made no difference with your vote?
Senator Smoot-Well, I knew nothing

as to that, of course It must be a doleful scene up in the daho panhandle and northwestern fortage today. The country is con-

Senator Smoot—In a church position. The Chairman—I beg your pardon. Senator Smoot—In a church position. The Chairman—Well, this was a church

Senator Smoot-This was a church Chairman-So that would not have sterred you from voting for him? Senator Smoot-I hardly think so.

Mr. Smoot was testifying concern

ing the induction of Charles W. Penrose into the apostolate of which he. Smoot, was and is a member. His answer that he knew nothing of the polygamous cohabitation of Penrose was durance. This new tariff law fails ab coming together of President Taft and could not help being aware of a fact Colonel Roosevelt. This coming to that was in common knowledge. But even President Taft, who approved it, gether involved an absolute desertion the surprising matter in his testimony by President Taft of Vice-President is that he, as a Senator of the United be amended. He is in favor of taking Sherman and of the forces that sup States, should have the temerity to port Sherman. But so far as anything say that he felt it to be any part of thoroughly revising them. Whether that Sherman can say about it is con- his duty to support a lawbreaker in cerned, he is wise to hold his peace, any position, whether civic or ecclesiversive nature of some Mormon teach ing. From his youth up Reed Smoot administration forces combined with and sustain the Mormon priesthood in of those things were right or wrong We see that the New York Tribune He has been taught what the conseing from Sherman, however, on this; does not dare to offend the chief priestand since Mr. Barnes, the Albany boss, hood by discountenancing one of their has declared that the "old guard" will number, no matter how lawless may be fight it out against Roosevelt in the his daily life. He approves and sus State convention, it is not in the least tains as his ecclesiastical coadjutors likely that Sherman has a thought to Joseph F. Smith, John Henry Smith withdraw. He will stand or fall with Francis M. Lyman, Heber J. Grant and Charles W. Penrose, all of whom are But even if the "old guard" is de not only well-known lawbreakers, but feated in the State convention, it by who are openly defiant in announced

resuscitation. The New York machine | And then there is the matter of new has been smashed time after time, but polygamy (meaning cases wherein never entirely destroyed; and it has a Mormon elders have taken new plural since the manifesto of 1890 when it was covenanted to the country and Vice-President Sherman does well to the whole world that the practice should keep quiet for the present; but as tem- cease). The Tribune has named one porary chairman of the New York State hundred and fifty-seven such cases; convention he will sound the keynote from no individual among the number 'of the campaign as the "old guard" has come a denial. We have learned would like to conduct it, and that key- of perhaps one in ten of all the actual note will not be in the least like the crimes of this character, because of keynote sounded by President Taft in the secrecy observed and the protection John Abner, formerly active in the with him.' Surely nothing squarer or his curious letter in which he signifies afforded by high church officials. Reed old Hargis feud in Kentucky, has been more absolutely committal could be his desertion of the stand-pat crowd Smoot is aware of the prevalence of and of his support of the "stand-pat" the new polygamous crime in his church; but he has never yet made one move against it. Instead of recognizing the truth, and proceeding against With an enclosed clipping from an the offenders, as he is in duty bound editorial article which appeared in our to do as one of the highest public of ficers in the land, he rather enjoys tella communication from Mr. James E. ing people abroad that there is no renewal of the polygamous practice, and that those who know that there is such a recrudescence, and consequently ery out against it, are persecuting a people on account of their religion. Reed Smoot is a Senator of the Unit

ed States by permission of criminals. Lord knows that he is selfish enough to "stand in" as a matter of self-protec tion and self-interest, religion or no religion

It is understood that, while making appeal to the ancients for authority therein, our bogus prophets are now considering the proposition to make it more binding by demanding of the country protection for their tithing graft. They have nerve enough.

State Fair directors have decided that there shall be no passes issued for this Joseph E. Taylor, who is too blooming stingy to pay up that polygamous reward money, won't go; so there!
